*Head Custodian*  
Donald Caldwell  
*Evening Custodian*

Dear Pollard Church Family,

As in past years, we will be taking a special offering in Lent for some of our local missions that our church supports. I hope all of us will be very generous with our giving for missions. Our offering this year will be equally divided between the Bethesda Clinic, PATH, St. Paul Children's Foundation, and the Salvation Army.

The Bethesda Clinic is a faith-based clinic dedicated to living out the biblical and historical commission of the church to care for those in need by providing affordable, high quality health care for the working uninsured of Smith County through dedicated volunteers and staff.

PATH's mission is to serve through well-equipped volunteers to the economically disadvantaged people in Smith County with both the emergency assistance and programs to empower and encourage them to become productive citizens.

St. Paul Children's Foundation ministers to indigent families of East Tyler through the provision of food, clothing, medical, and dental care. St. Paul also has a wonderful Wednesday program for children and youth.

The Salvation Army provides food and shelter for people in need in a Christian environment.

If you're giving a check, make it out to the church with a notation "Lenten Offering". Many lives have been blessed through the four mission ministries we are supporting with our special Lent offering. Our generous support will help many of our brothers and sisters.

Sincerely,

Rev. Rob Fisher
