

The 2010 Lenten journey for Pollard UMC begins in our worship on Ash Wednesday (Feb. 17) and concludes with our Easter worship celebration (Apr. 4). All members and guests are encouraged to join in this opportunity to let the worship experiences lead us

in a time of thoughtful preparation for the miracle of Easter. The focus will be the nails in the cross — naming some of the tendencies of our sinful nature and the power we gain for living differently through the sacrifice Jesus made on the cross. Here's the worship schedule:
